If you are interested in having a photo session that is not listed, please contact me and let's chat!

Please understand that my time is valuable--as is yours! If you have a session scheduled, please be on time! Anyone who does not show within 30 minutes of scheduled start time and does not contact me will be billed a \$50 no show fee.

If you need to re-schedule your session, please contact me ASAP. More than 2 re-schedules will result in a \$25 fee.

Session pricing is subject to change without notice. Once you book, you are locked in on current pricing.

All sessions include a minimum of 20 high resolution, edited digital images available for digital download on my website. ONLY Senior Sessions include one USB flash drive. If you wish to have your images placed on a flash drive for any other session, there will be a \$15 charge per USB flash drive to do so.

I will retain all image copyrights and will use them on my website and other social media sites (Facebook, Instagram, Pinterest, Twitter, LinkedIn, etc.) unless other arrangements are agreed upon between myself and the client.

Sessions are meant to be fun! Please get excited about your photo session and TRUST the photographer!
